

Solydra™

Natural oil base

Solydra™

Solydra™ is a natural oil base with an ultra-gentle, preservative-free formulation that is rich in antioxidants and contains a natural emulsifier. Readily dispersed in water and providing a soft skin feel, it can be used for bathing, showering and basic skin care to achieve exceptional hydration. Designed according to the latest insights into topical vehicle safety and tolerance, Solydra™ is free of harmful, obsolete and controversial ingredients.
